IN DETAIL:

Liam is a visionary, spotting early on the potential for YouTubers and Gamers to become global superstars and influencers. He has since gone on to manage some of the world's most influential people, from KSI and Ali-A to Jelly and Sidemen, all through his company OP Talent, which he founded in 2012. Liam Chivers creates and manages talent business opportunities and career development. From educating brands on best practices and delivering several thousand global campaigns, to bespoke influencer projects such as monetising record breaking online events (e.g. KSI vs Logan Paul), best-selling books, chart topping music, sell out tours to an International Emmy nominated TV show, Liam Chivers is at the forefront of today's 'modern day mainstream' world.
