

Nicolas Mialhe

Co-founder & President The Future Society

"World's Leading Financial Futurist"

Nicolas Mialhe is a recognised thought-leader, strategist and implementer. He co-founded The Future Society and incubated it at the Harvard Kennedy School of Government. The think-and-do tank specialises in questions of impact and governance of emerging technologies, starting with Artificial Intelligence through its AI Initiative.

TOPICS:

- Artificial Intelligence
- Machine Learning
- Future Trends
- Change Management
- Geopolitics/Geostrategy
- Urban Innovations

IN DETAIL:

Nicolas is a member of the AI Expert Group at OECD (AIGO). He teaches at the Paris School of International Affairs (Sciences Po), is a Visiting Professor at the IE School of Global & Public Affairs in Madrid, a Senior Visiting Research Fellow with the Program on Science, Technology and Society at Harvard Kennedy School and a Fellow with the Center for the Governance of Change at IE Business School in Madrid. He is also the co-founder of YesEuropeLab, a pan-European civic innovation lab. He is a member of three Committees (Policy, Economics, and General Principles) of the IEEE Global Initiative for Ethical Considerations in Artificial Intelligence and Autonomous Systems.

LANGUAGES:

He presents in English.

WHAT HE OFFERS YOU:

Nicolas provides valuable insights of what AI is and its impacts, and help decision-makers all over the world enjoy the benefits of AI and avoid its risks. He brings together ideas to create tools that we can all use to make sure AI benefits everyone.

HOW HE PRESENTS:

Every presentation Nicolas gives contains research and analysis that has been stress-tested for relevance and impact with multi-national corporations, governments, NGOs and industrial players
